

SUBJECT INDEX.

	<i>Page.</i>
ABORTION	
Wesselsbron virus—a virus not previously described, associated with abortion in domestic animals	183
ACETATE	
Alterations in the blood sugar and ketone levels caused by dosing acetate, propionate and butyrate into the rumen of sheep	101
ALUMINIUM-IRON ROCK PHOSPHATE	
The utilization of the phosphorus from an aluminium-iron rock phosphate I. By the rat	611
The utilization of the phosphorus from an aluminium-iron rock phosphate II. By sheep	617
AMBLYOMMA GEMMA	
Ticks in the South African Zoological Survey collection VIII. Two East African ticks	83
ANTIBODIES	
The cytopathogenic action of bluetongue virus on tissue culture and its application to the detection of antibodies in the serum of sheep	171
AVIANISED VIRUS	
Canine distemper. Immunization with avianised virus	19
BLOOD KETONE LEVEL	
Alterations in the blood sugar and ketone levels caused by dosing acetate, propionate and butyrate into the rumen of sheep	101
BLOOD SUGAR LEVEL	
Alterations in the blood sugar and ketone levels caused by dosing acetate, propionate and butyrate into the rumen of sheep	101
BLOWFLY	
The protection of sheep against blowfly strike IV. An evaluation of certain organic phosphorus compounds	77
The protection of sheep against blowfly strike V. The duration of protection of certain insecticides under field conditions	549
BLUETONGUE	
The cytopathogenic action of bluetongue virus on tissue culture and its application to the detection of antibodies in the serum of sheep	171
The use of tissue culture propagated bluetongue virus for complement fixation studies on sheep sera	179

	<i>Page.</i>
BONTPOOT TICKS	
Zoological Survey of the Union of South Africa. Tick Survey IX. The distribution of the three South African Hyalommas or bontpoots	239
BRUCELLA VACCINE	
Strain 19 Brucella vaccine I. Production of vaccine by the shake-flask technique ...	205
Strain 19 Brucella vaccine II. The preparation of freeze-dried live vaccine	215
Strain 19 Brucella vaccine V. Mass production in the Brucella Vortex Aerated culture apparatus	539
BUTYRATE	
Alterations in the blood sugar and ketone levels caused by dosing acetate, propionate and butyrate into the rumen of sheep	101
CANINE DISTEMPER	
Canine distemper. Immunization with avianised virus	19
COMPLEMENT FIXATION	
Complement fixation with horsesickness viruses	165
The use of tissue culture propagated bluetongue virus for complement fixation studies on sheep sera	179
CYTAUXZONOSSES	
Theileriosis, gonderioses and cytauxzoonoses	275
DISTEMPER	
Canine distemper. Immunization with avianised virus	19
EAST AFRICAN TICKS	
Ticks in the South African Zoological Survey collection VIII. Two East African ticks	83
EAST COAST FEVER	
Studies on the lesions and pathogenesis of East Coast fever (<i>Theileria parva</i> infection) in cattle with special reference to the lymphoid tissue	431
FREEZE-DRIED BRUCELLA VACCINE	
Strain 19 Brucella vaccine II. The preparation of freeze-dried live vaccine	215
GAME	
New species of sucking lice from South African game	55
GONDERIOSES	
Theileriosis, gonderioses and cytauxzoonoses	275
HORSESICKNESS	
Complement fixation with horsesickness viruses	165
Immunological types of horsesickness virus and their significance in immunization	465
HYALOMMA SPP.	
Zoological Survey of the Union of South Africa. Tick Survey IX. The distribution of the three South African Hyalommas or bontpoots	239
IMMUNIZATION	
Immunological types of horsesickness virus and their significance in immunization	465

	Page.
INSECTICIDES	
The protection of sheep against blowfly strike V. The duration of protection of certain insecticides under field conditions	549
LICE	
New species of sucking lice from South African game	55
Studies on sucking lice of African mammals I. Revision of certain doubtful <i>Linognathus</i> species	583
LINOGNATHUS SP.	
Studies on sucking lice of African mammals I. Revision of certain doubtful <i>Linognathus</i> species	583
MARGAROPUS WINTHEMI	
Zoological survey of the Union of South Africa. Tick Survey X. Distribution of <i>Margaropus winthemi</i> , the winter horse tick	599
OESTRUS OVIS	
A new method of treatment for sheep infested with the larvae of the sheep nasal-fly, <i>Oestrus ovis</i> , in the Union of South Africa	67
OTOBIOUS MEGNINI	
Zoological Survey of the Union of South Africa. Tick Survey XI. The distribution of <i>Otobius megnini</i> , the spinose ear tick	605
PHOSPHORUS	
The protection of sheep against blowfly strike IV. An evaluation of certain organic phosphorus compounds	77
The utilization of the phosphorus from an aluminium-iron rock phosphate I. By the rat	611
The utilization of the phosphorus from an aluminium-iron rock phosphate II. By sheep	617
PROPIONATE	
Alterations in the blood sugar and ketone levels caused by dosing acetate, propionate and butyrate into the rumen of sheep	101
RHIPICEPHALUS AYREI	
Ticks in the South African Zoological survey collection VIII. Two East African ticks	83
RHIPICEPHALUS EVERTSI	
The experimental transmission of <i>Theileria ovis</i> by <i>Rhipicephalus evertsi</i>	3
SHAKE-FLASK TECHNIQUE	
Strain 19 Brucella vaccine I. Production of vaccine by the shake-flask technique ...	205
SHEEP NASAL-FLY	
A new method of treatment for sheep infested with the larvae of the sheep nasal-fly, <i>Oestrus ovis</i> L. in the Union of South Africa	67
SPINOSE EAR TICK	
Zoological Survey of the Union of South Africa. Tick Survey XI. The distribution of <i>Otobius megnini</i> , the spinose ear tick	605
SWEATING SICKNESS	
Studies on the aetiology of sweating sickness	197
THEILERIA OVIS	
The experimental transmission of <i>Theileria ovis</i> by <i>Rhipicephalus evertsi</i>	3

	<i>Page.</i>
THEILERIA PARVA	
Studies on the lesions and pathogenesis of East Coast fever (<i>Theileria parva</i> infection) in cattle with special reference to the lymphoid tissue	431
THEILERIDAE	
A discussion on the classification of the Theileridae	7
THEILERIOSIS	
Theileriosis, gonderioses and cytauxzoonoses	275
Bovine cerebral theileriosis. A report on two cases occurring in the Union	453
TICKBORNE DISEASES	
A consolidation of our knowledge of the transmission of tickborne diseases	115
TICKS	
Ticks in the South African Zoological Survey collection VIII. Two East African ticks	83
TISSUE CULTURE	
The cytopathogenic action of bluetongue virus on tissue culture and its application to the detection of antibodies in the serum of sheep	171
The use of tissue culture propagated bluetongue virus for complement fixation studies on sheep sera	179
TUBERCULOSIS	
Studies on tuberculosis in dogs, and on a case of human tuberculosis contracted from a dog	227
WESSELSBRON VIRUS	
Wesselsbron virus—a virus not previously described, associated with abortion in domestic animals	183
WINTER HORSE TICK	
Zoological Survey of the Union of South Africa. Tick survey X. Distribution of <i>Margaropus winthemi</i> , the winter horse tick	599
