Mnumzane

Ngisaphila nda futhi Mnumzana ngisaloba ngezindaba ngendaba yentombi eyayinhle ngokumangalisayo ngemihla yenkosi u Cetshwayo.

Lentombi yayingeyakwa Mthethwa isibongosayo Yebe isukile ngesi ci somgimba isitho sayo simangalisa kuthi ma iqala ukunyathela phansi wabango ukuthi umhlabathi uzodlabuka kanti cha.

Kuthiwake lentombi yayithandwa ngumntanenkosi umfowabo ka Dinuzulu kodwa yona inayifuni lendodana yenkosi iyeshela ngokuzobala nentombi futhi ingayifuni ngokuzobala izinhliziyo zabo zehlukene njengo mnyama nokukhanya.

kwathi ngolunye ilanga kwafika insizwa yakwa Buthelezi iDakashele udade wabo ongane kwa Khumalo kwathi emini wahamba efuna izintombi eshela waseyibona lentombi eyayiyinhle ngokumangalisa yo wathi esaqala ukubona izinkophezayo lapha qala ukuqwayiza yome amathe nayo yesabe ukuyikhulumisa.

Khepha yathula yathula yathi yiza uvalo umangoba sekondi kanti nentombi inele yayibona lensizwa yathayisayiwalo yaze yawa phansi cha yavuka yasi yenza ongathi ibihlala phansi kanti ca iwile yasiukuma yeza intombi nensizwa yeza kante intombi le isiyithandile lensizwa ifike

iqale ngokukhuzela kuqala ukude maduze ikhuzela ithizegeda uvalo ethizeni sa isibindi yabe ikhuzela ithi:- Sikilidi sayilake yeka obedla osokela
Akukho ntombeya qanungamazane.
zalabantu zeyebantwini
Nonqmankomo uyayithandinyama.
Lentombi yabe ifake ishungu engalweni lelishungu lalinoqwayi phakathi lelishungu ligqoqqelwe ngobuhlalo yafikake insizwa eduze yeshelake israu zwa yathelanje intombi kodwa iyaphendula ngolonje ngolokukuluza ukuthi, "pho wena ungowaphi na?" insizwa yathi ngingo wakwam Buthelezi yase thi intombi kusiphi isigodi yathi insizwa kwesakwamthiyamane bakhulumeke kodwa intombi yona kodwa ibingalilile emlonyeni baseba hlukana njalo nensizwa isibayela kwa dade wabo.

Kanti intombi le imbohe yamthanda ngokusobala futhi ingasangabazinje nakungaza kanti nensizwa iboniile ukuthi lentombi iyayithanda insizwake ilale ingalele ngendaba yalentombi, kuthikung akasi kahle iduke ikuseni ivunule kahle ibesihamba njalo ngalelonga ahambe nomfanyana kadade wabo. Kodwa uhambanje udade wabo umutshelile ukuthi lentombi yeshelwa ngumnlane nkosi ithi insizwa akusho lutho lokho dade wethu. Yeho ingenamdaba yakwe minye imimango.

Ebathe ukuba bafike emfuleni wasehambanjalo umfana esuyo ubiza yeza ivunule iphelele yawisha izinwele zayo yasivala ishlathu

sayo yasisithi ukufaka iwalayo ekhanda Valiggaggelwe futhi nalo lapha phandle umfana yilokhu eyincenga nayoyenza engathi ayifuni ukuya ngoba phela umfana wayengashongo ukuthi ibizwa ngubani kodwa yayazi nomfana yilokhu emiphandle eyincenga kanti yona iyazi yayisuphuma ithi ggabashu yathi ham(ba) samke ngiyewo lomhlola engibizela wona nempela wahamba umfana wafika emfuleni kanti inasizwa seba shile besiqhushu khonalapha beseyibingelela intombe iwuma njalo.

Ibese ithi inasizwa ngihlole elami mntanethu ngihambe ilanga selishonile intombile engabe iqhuba kakhulu insizwa base ilahlwtha iwa ekhanda lentombi kwaseku phelanjalo zasezithandena izinto zabantu. Le nasizwa kwabesengathi iyathuka ilele esibuthongweni yasuka umtshela udade wabo wajabula wafa nayo udade wabo.

Yathi ukuba izwe lokho indodana yenkosi yathukuthela yafa yathi, "Wo! he! yekusikhumbaenkabi ukudliwa yinunda" lokhuphela ku ukuthi yekalentombi enhle kangaka ukugoma umfokazana.

Yasho ingasinakwenza lutho intombi isihambe amagcino bangani wake bathola ingane ingamalayo kwabangu sibangiwe ngoba unina weyebangwa ngumntanenkosi. Iyaphela lapho indaba yentombi eyabinhle ngokumangalisayo.
