SPEAKERS:

Lord McCamel — Chair, Vaal Civic Association

Aubrey Mokoena — Release Mandela Committee

Elliot Shabangu - General & Allied Workers Union

DO NOT VOTE! is our call

- *Support the civic association with your advice. It needs you.
- *Attend the civic association meetings and hear how the Black Local Authorities Act will affect your lives.
- *It is a lie that 'municipal status' would be better.

Vaal Civic Association:

- demands decent houses for all
- demands low rents that we can afford
- demands adequate schools for our children
- condemns the community councils as puppet bodies
- asks our people not to vote because NOTHING would be achieved

Do not vote for people who are interested in their pockets.

The VAAL CIVIC ASSOCIATION was formed by more than 1 200 Vaal residents on the 9th October 1983 at Roma, Zone 12. Its duty is to strive for the above demands. It will only make our lives better if you join it.
ATTEND CIVIC MEETINGS:

Venue: Roman Catholic Church, Zone 12

Date: 27 November

Time: 1 pm

DO NOT VOTE! DO NOT VOTE!
