UNITE AGAINST DETENTION

In the past few year popular opposition to apartheid gained mere impotus and united people in action. Daily the people rise up against evictions, high rents, education system, puppet bodies and many other apartheid ills. The successes of the Anti-Republic Anti-SAB tour campaigns and workers' struggles (in demand for higher wages and workers' rights) are inspiring demonstrations to the strength of UNITY IN ACTION.

To deter this popular opposition, the capitalist apartheid regime has introduced a TOTAL STRATEIGY of REFORMS and REPRESSSION. Security powers have been expanded and intenstified to deal with popular activities and opponents of apartheid. The calmpdown on organisation (eg Oct 19,1977) restrictions (even on funerals) banning orders the imprisonment of our country's leaders and vehemently, DETENTION are some of the main weapons of this Total Strateigy.

Altogether 55 people have died in detention. This year alone 5 so far are dead, about 190 are known to be detained. Many ex-detainees allege to have been bruatally tortured. The death of Steve Biko, Neil Aggett, Muoffe and rcently Linda Dlodlo (days after her release) demand a courageous response to DETENTION, detention laws, conditions and treatment of detainees.

In pledging solidarity with detainees, their families and friends, popular condemnation of DETENTION, TORTURE and DEATH in DETENTION must increase. Thus, we must all rise up in support of detainees and prisoners of Apartheid and demand: **RELEASE ALL DETAINEEES.**

The hour calls upon all peace-loving people, progressive and democratic forces to **UNITE AGAINST DETENTION.**

Don't vote for APARTHEID!

DON'T VOTE FOR KOORNHOF'S COUNCILS

What is the government doing?

It is making new plans. The government calls one of these new plans the Black Local Authorities Act. They tell us that this law will give us a say in how our community is run.

The government says:

- A new town council will take the place of every community council.
- The new council will now do some of the Administration Board's work — like breaking down shacks and putting up the rents.
- To do this work, the council must get its own money. They will get it from us.

But what does the Local Authorities Act mean?

- The council will be under Koornhof and will have no power.
- They are the same as the community councils but only have a new name.
- They cannot solve our housing problems, blocked drains, high rents or transport problems.
- The councils will get their money from us, by putting the rents up, giving us high water and light accounts and even raising dog tax.
- The councils will only help make Apartheid strong.

WE SAY NO TO APARTHEID!
WE WILL NOT VOTE FOR THESE
NEW COUNCILS!

A VOTE FOR THE COUNCIL IS A
VOTE FOR APARTHEID!

Issued by the United Democratic Front (Transvaal Region)
The United Democratic Front has 400 organisations in it opposing the government's new plans. Support the UDF's programme of action against the government's new plans.

The Freedom Charter

We, the people of South Africa, declare for all our country and the world to know:

that South Africa belongs to all who live in it, black and white, and that no government can claim authority unless it is based on the will of all the people;

that our people have been robbed of their birthright to land, liberty and peace by a form of government founded on injustice and inequality;

that our country will never be prosperous or free until all our people live in brotherhood, enjoying equal rights and opportunities;

that only a democratic state, based on the will of all our people, can secure to all their birthright without distinction of colour, race sex or belief;

And therefore, we, the people of South Africa, black and white together—equals, countrymen and brothers—adopt this Freedom Charter. And we pledge ourselves to strive together, sparing neither strength nor courage, until the democratic changes here set out have been won.

THE PEOPLE SHALL GOVERN!

Every man and woman shall have the right to vote for and to stand as a candidate for all bodies which make laws;

All people shall be entitled to take part in the administration of the country;

The rights of the people shall be the same, regardless of race, colour or sex;

All bodies of minority rule, advisory boards, councils and authorities shall be replaced by democratic organs of self-government.

ALL NATIONAL GROUPS SHALL HAVE EQUAL RIGHTS!

There shall be equal status in the bodies of state, in the courts and in the schools for all national groups and races;

All people shall have equal right to use their own languages, and to develop their own folk culture and customs;

All national groups shall be protected by law against insults to their race and national pride;

The preaching and practice of national, race or colour discrimination and contempt shall be a ble crime;

All apartheid laws and practices shall be set aside.

THE PEOPLE SHALL SHARE IN THE COUNTRY'S WEALTH!

The national wealth of our country, the heritage of all South Africans, shall be restored to the people; The mineral wealth beneath the soil, the Banks and monopoly industry shall be transferred to the ownership of the people as a whole;

All other industry and trade shall be controlled to assist the well-being of the people;

All people shall have equal rights to trade where they choose, to manufacture and to enter all trades, crafts and professions.

THE LAND SHALL BE SHARED AMONG THOSE WHO WORK IT!

Restrictions of land ownership on a racial basis shall be ended, and all the land redivided amongst who work it, to banish famine and land hunger;

The state shall help the peasants with implements, seed, tractors and dams to save the soil and assist the tillers;

Freedom of movement shall be guaranteed to all who work on the land;

All shall have the right to occupy land wherever they choose;

People shall not be robbed of their cattle, and forced labour and farm prisons shall be abolished.

ALL SHALL BE EQUAL BEFORE THE LAW!

No one shall be imprisoned, deported or restricted without a fair trial;

No one shall be condemned by the order of any Government official;

The courts shall be representative of all the people;

Imprisonment shall be only for serious crimes against the people, and shall aim at re-education, not vengeance;

The police force and army shall be open to all on an equal basis and shall be the helpers and protectors of the people;

All laws which discriminate on grounds of race, colour or belief shall be repealed.

ALL SHALL ENJOY EQUAL HUMAN RIGHTS!

The law shall guarantee to all their right to speak, to organise, to meet together, to publish, to preach, to worship and to educate their children;

The privacy of the house from police raids shall be protected by law;

All shall be free to travel without restriction from countryside to town, from province to province, and from South Africa abroad;

Pass Laws, permits and all other laws restricting these freedoms shall be abolished.

THERE SHALL BE WORK AND SECURITY!

All who work shall be free to form trade unions, to elect their officers and to make wage agreements with their employers;

The state shall recognise the right and duty of all to work, and to draw full unemployment benefits; Men and women of all races shall receive equal pay for equal work;

There shall be a forty-hour working week, a national minimum wage, paid annual leave, and sick leave for all workers, and maternity leave on full pay for all working mothers;

Miners, domestic workers, farm workers and civil servants shall have the same rights as all others who work;

Child labour, compound labour, the tot system and contract labour shall be abolished.

THE DOORS OF LEARNING AND OF CULTURE SHALL BE OPENED!

The government shall discover, develop and encourage national talent for the enhancement of our cultural life;

All the cultural treasures of mankind shall be opened to all, by free exchange of books, ideas and contact with other lands;

The aim of education shall be to teach the youth to love their people and their culture, to honour human brotherhood, liberty and peace;

The aged, the orphans, the disabled and the sick shall be cared for by the state;

Rest, leisure and recreation shall be the right of all;

Fenced locations and ghettos shall be abolished, and laws which break up families shall be repealed.

THERE SHALL BE PEACE AND FRIENDSHIP!

South Africa shall be a fully independent state, which respects the rights and sovereignty of all nations;

South Africa shall strive to maintain world peace and settlement of all international disputes by negotiations—not war;

Peace and friendship amongst all our people shall be secured by upholding the equal rights, opportunities and status of all;

The people of the protectorates—Basutoland, Bechuanaland and Swaziland shall be free to decide for themselves their own future;

The right of all the peoples of Africa to independence and self-government shall be recognised, and shall be the basis of close co-operation.

Let all who love their people and their country now say as we say here:
**THESE FREEDOMS WE WILL FIGHT FOR, SIDE BY SIDE, THROUGH-
OUT OUR LIVES, UNTIL WE HAVE WON OUR LIBERTY."**
