### THE GREEN MAN

A Symphonic Poem

# CAGED BIRD

*for string quartet and selected percussion*

By

***Ruben Kasselman***

## ***Program notes:***

**Caged Bird** is inspired by the poem (of the same title) by the renowned author Maya Angelou.

It seeks to personify the dichotomies of the free bird, who “dares to claim the sky”, and the caged bird whose “wings are clipped”. The constricting limitations of the narrow cage prompt the caged bird to sing a doleful song. This song forms the thematic basis and the unifying element of the music. It is stated under many guises: in retrograde, with rhythmic permutations, different timbres, registers and in the last movement, fragmented to convey the exasperation of the caged bird.

### ***Caged Bird***

A free bird leaps  
on the back of the wind  
and floats downstream  
till the current ends  
and dips his wing  
in the orange sun rays  
and dares to claim the sky.

But a bird that stalks  
down his narrow cage  
can seldom see through  
his bars of rage  
his wings are clipped and  
his feet are tied  
so he opens his throat to sing.

The caged bird sings  
with a fearful trill  
of things unknown  
but longed for still  
and his tune is heard  
on the distant hill  
for the caged bird  
sings of freedom.

The free bird thinks of another breeze  
and the trade winds soft through the sighing trees  
and the fat worms waiting on a dawn bright lawn  
and he names the sky his own

But a caged bird stands on the grave of dreams  
his shadow shouts on a nightmare scream  
his wings are clipped and his feet are tied  
so he opens his throat to sing.

The caged bird sings  
with a fearful trill  
of things unknown  
but longed for still  
and his tune is heard  
on the distant hill  
for the caged bird  
sings of freedom.

**Tehillim Songs of Praise** is a set of three Hebrew psalms, each contemplating different circumstances of prayer and worship.

**Mizmor Chet** (Psalm 8) is a song of adoration that expresses the overwhelming majesty of the Lord's creation and the wonderment that He has placed man on its pinnacle.

*"When I consider thy heavens, the work of thy fingers, the moon and the stars, which thou hast ordained. What is man, that thou art mindful of him? And the son of man, that thou visitest him? For thou hast made him a little lower than the angels, and hast crowned him with glory and honour."*

**Mizmor Kaf Gimmel** (Psalm 23) is a song of affirmation and confidence in the Lord's love and protection. The setting is a positive conception of the well-known psalm.

*"The Lord is my shepherd; I shall not want. He maketh me to lie down in green pastures: he leadeth me beside the still waters. He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake."*

**Mizmor Kaf Zayin** (Psalm 27) is a song of humble prayer in a time of desperation.

*"The Lord is my light and my salvation; whom shall I fear. The lord is the strength of my life; of whom shall I be afraid? When the wicked came against me, to eat up my flesh, my enemies and foes, they stumbled and fell. Though an army may encamp against me, my heart shall not fear. Though war may rise against me, in this I will be confident"*

## *Green Man*

*primordial green man  
keeper of pasture, wood and grove  
touch of perennial yielding  
whose laughter nurtures  
who speaks the rustling leaves  
his flaking skin the fertile soil*  
(mm. 1-56)

*immaculate green man  
seed of Silvanus  
kindred of Echo and Pan  
womb of the land  
his benevolent desire – Bursting Growth!*  
(mm. 57-112)

*dapple gray man inhale  
our brimstone sin  
tears blackened algae  
pealing husk his doleful lament  
anger sprouting thistle and thorn  
fury for Adam: a ripening sweet poison.*  
(mm. 113-170)
