ST. JOHN THE BAPTIST

TWENTY FOUR RIVERS.

ON THE CHURCH:

The work of the Church at this centre (Twenty Four Rivers and neighborhood) has been left almost entirely in the hands of the few very keen Churchmen who live in this district. They have carried on their responsibility in a most noble manner, and have held regular services at one of the farm houses every Sunday and Holy Days.

The Priest in charge, (the Rev. H. Thompson) has been able, at last, to institute one regular and frequent service. During the last visit a meeting was held to consider whether it would be advantageous and possible to maintain a Chapel, which has been suggested for some considerable time past, that of building a

First Church on the Farm of Twenty Four Rivers.

Land for the site of the proposed Chapel has been very
