Dear Mrs Baber,

The bishop has returned the Petition for the faculty with his signature, and approving the addition of 'We will remember' to the plaque. We can now go ahead and get it done.

These documents can be kept in the trunk in the vestry.

The man at Pietersburg who can do the work is:

Mr J.A. Goddard,

32 Compensasie St
Pietersburg.

You can deal directly with him, unless you want some other craftsman to do the job.

Yours sincerely,

Trevor Venyn.
