## *Pretoria*

has become a great city in the last hundred years

## *St. Alban's Cathedral*

has a beautiful Chancel, built in 1910 by the late  
Sir Herbert Baker

but the rest of the Cathedral is entirely unworthy  
of the Church and City

THE PHOTOGRAPH you have been looking at, shows  
Schoeman Street with the Cathedral which we are building

WE, the members of the APPEAL COMMITTEE ask you  
to join in completing the Cathedral

## *Our Plans...*

PLANS have now been prepared for the completion of the Cathedral in harmony with the Chancel. These plans include

The Nave,  
Cloisters,  
Tower  
and Organ

THE FOUNDATION STONE will be laid on November 6th, 1955

THE COST of this work will be at least £75,000

WE NOW HAVE £37,500

WE THEREFORE NEED ANOTHER £37,500

We make this appeal for £37,500 to all people who believe that the Cathedral must be completed.

### YOU CAN HELP IN THESE WAYS:

1. You can give a donation, as large as you can afford now, and promise a further donation for a later date.
2. By a banker's order you can make a regular monthly, quarterly or yearly donation over the next three years.
3. In 1953 a loan levy was added to Income Tax. By this time you will have received a green loan levy certificate, redeemable with accrued interest after five years. You can give the amount of YOUR certificate NOW, by filling in the form overleaf, and by sending it, together with the green certificate, duly signed, to the Treasurer.
