

## Supplementary File 1. Health Personnel Questionnaire

<b>GENERAL INFORMATION</b> (Habari kwa ujumla)					
Region (Eneo)	..... County (Kaunti)  ..... Sub-County (Kaunti ndogo)				
Health facility name (Jina la kituo cha afya)	.....				
Demographic Characteristics (Demografia ya mhojiwa)	Age (Umri) <table border="0"> <tr> <td><input type="checkbox"/> 18-30</td> <td><input type="checkbox"/> 31-40</td> </tr> <tr> <td><input type="checkbox"/> 41-50</td> <td><input type="checkbox"/> &gt;50</td> </tr> </table>	<input type="checkbox"/> 18-30	<input type="checkbox"/> 31-40	<input type="checkbox"/> 41-50	<input type="checkbox"/> >50
	<input type="checkbox"/> 18-30	<input type="checkbox"/> 31-40			
<input type="checkbox"/> 41-50	<input type="checkbox"/> >50				
	Sex (Jinsia) <table border="0"> <tr> <td>Male (Kiume) <input type="checkbox"/></td> <td>Female (Kike) <input type="checkbox"/></td> </tr> </table>	Male (Kiume) <input type="checkbox"/>	Female (Kike) <input type="checkbox"/>		
Male (Kiume) <input type="checkbox"/>	Female (Kike) <input type="checkbox"/>				
What is your health cadre? (Wajibu wa mfanyakazi wa afya)	<input type="checkbox"/> Medical Practitioner (Matibabu daktari) <input type="checkbox"/> Clinical Officer (Afisa wa kliniki) <input type="checkbox"/> Nurse (Muuguzi) <input type="checkbox"/> Public Health Staff (Mfanyakazi wa afya ya umma) <input type="checkbox"/> Laboratory Staff (Mfanyakazi wa maabara) <input type="checkbox"/> Health Records Management Staff (Mfanyakazi wa kumbukumbu za afya) <input type="checkbox"/> Other Cadre (Uajibu zinginezo):.....				
Number of years worked in health cadre (Miaka yako kikazi katika uajibu huu?)	<input type="checkbox"/> Less than a year (Chini ya mwaka 1) <input type="checkbox"/> 1-2 years (Kati ya mwaka 1-2) <input type="checkbox"/> 2-3 years (Kati ya miaka 2-3) <input type="checkbox"/> 3-5 years (Kati ya miaka 3-5) <input type="checkbox"/> More than 5 years (Zaidi ya miaka 5)				
What is your highest level of education? (Kiwango chako cha juu zaidi katika masomo?)	<input type="checkbox"/> PhD (Shahada ya uzamifu) <input type="checkbox"/> Masters (Shahada ya uzamili) <input type="checkbox"/> Degree (Shahada) <input type="checkbox"/> Diploma (Stashahada) <input type="checkbox"/> Certificate (Astashahada)				

<b>(Tick (✓) in the most appropriate box &amp; please complete the “comments” section for each attribute)</b> <b>(Weka alama ya tiki (✓) pahali panapofaa zaidi na pia toa maoni yako kwa kila sifa wa mfumo)</b>							
<b>SIMPLICITY (URAHISI WA MFUMO)</b>							
	<i>Strongly Disagree (Sikubali zaidi)</i>	<i>Disagree (Sikubali)</i>	<i>Neither Agree or Disagree (Sikubali wala Sikatai)</i>	<i>Agree (Na kubali)</i>	<i>Strongly Agree (Na kubali zaidi)</i>	<i>Not Applicable (Si husika)</i>	<i>Don't Know (Sijui)</i>
<b>Q1.</b> Reporting of PC-NTDs surveillance data within the IDSR system is easy. <i>(Kuripoti kwa magonjwa ya kitropiki yaliyo telekezwa kupitia mfumo wa IDSR ni rahisi)</i>							
<b>Q2.</b> Forms for reporting PC-NTDs surveillance data are easy to complete. <i>(Fomu za kuripoti magonjwa ya kitropiki yaliyo telekezwa ni rahisi kukamilisha)</i>							
<b>Q3.</b> Instructions and guidelines for completing the PC-NTDs reporting forms are easy to understand. <i>(Maelekezo na miongozo za kukamilisha fomu za kuripoti magonjwa ya kitropiki yaliyo telekezwa ni rahisi kuelewa)</i>							
<b>Q4.</b> Understanding the functionality of the IDSR system is easy. <i>(Kuelewa utendaji wa mfumo wa IDSR ni rahisi)</i>							
<b>Q5.</b> All health personnel are conversant with the IDSR system. <i>(Wafanyakazi wote wa afya wanaelewa mfumo huu wa IDSR)</i>							
<b>Q6.</b> Case definitions for PC-NTDs are easily applicable. <i>(Miongozo za kutambua kesi za magonjwa ya kitropiki yaliyo telekezwa hutumika kwa urahisi)</i>							
<b>Q7.</b> PC-NTD surveillance data is easily managed. <i>(Data za ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa ni rahisi kuandaa)</i>							
<b>Q8.</b> The existing IDSR system easily accommodates all PC-NTDs.							

<i>(Mfumo uliopo wa IDSR unaweza kujumuisha magonjwa yote ya kitropiki yaliyo telekezwa kwa urahisi)</i>							
<b>Q9.</b> Methods used for collection of PC-NTDs surveillance data are simple. <i>(Mbinu za ukasanyaji wa data za ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa ni rahisi)</i>							
<b>Q10.</b> Time spent collecting PC-NTDs surveillance data is minimal. <i>(Muda unaotumika kukusanya data za ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa ni fupi)</i>							
<b>Q11.</b> Methods used for analysis of PC-NTDs surveillance data are simple. <i>(Mbinu zinazotumika kuchanganua habari za magonjwa ya kitropiki yaliyo telekezwa ni rahisi)</i>							
<b>Q12.</b> Time spent in analysis of PC-NTDs surveillance data is minimal. <i>(Muda unaotumika kuchanganua habari za magonjwa ya kitropiki yaliyo telekezwa ni fupi)</i>							
<b>Q13.</b> Minimal training is required to manage PC-NTDs surveillance data. <i>(Mafunzo machache yanahitajika kutimiza shughuli za usimamizi wa magonjwa ya kitropiki yaliyo telekezwa)</i>							
<b>Q14.</b> The follow-up process for PC-NTDs surveillance data is simple. <i>(Mchakato wa ufuatiliaji wa habari ya magonjwa ya kitropiki yaliyo telekezwa ni rahisi)</i>							
<b>Q15.</b> The reporting levels for PC-NTDs surveillance data are minimal. <i>(Viwango vya kuripoti habari za magonjwa ya kitropiki yaliyo telekezwa ni chache)</i>							
<b>Comments (Maoni):</b>							

<b>ACCEPTABILITY (UKUBALIKAJI WA MFUMO)</b>							
	<i>Strongly Disagree (Sikubali zaidi)</i>	<i>Disagree (Sikubali)</i>	<i>Neither Agree or Disagree (Sikubali wala Sikatai)</i>	<i>Agree (Na kubali)</i>	<i>Strongly Agree (Na kubali zaidi)</i>	<i>Not Applicable (Si husika)</i>	<i>Don't Know (Sijui)</i>
<b>Q1.</b> My contribution/s and input/s to the existing IDSR system is/are considered valuable. <i>(Mchango wangu unathaminika katika mfumo wa IDSR uliopo kwa mkoa huu)</i>							
<b>Q2.</b> I am satisfied with my involvement in PC-NTDs surveillance activities in this facility. <i>(Nimeridhishwa na kuhusika kwangu kwa shughuli za ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa)</i>							
<b>Q3.</b> Fellow health personnel in this facility show interest in PC-NTDs surveillance activities. <i>(Wafanyakazi wenza katika kituo hiki cha afya wanahamu za kuhusishwa na shughuli za ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa)</i>							
<b>Q4.</b> All actions regarding PC-NTDs surveillance are adequately supported by the health facility management. <i>(Shughuli za ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa yanaungwa mkono na usimamizi wa kituo hiki cha afya)</i>							
<b>Q5.</b> PC-NTDs are considered of public health importance in the region. <i>(Magonjwa ya kitropiki yaliyo telekezwa yanapewa umuhimu katika afya ya umma wa mkoa huu)</i>							
<b>Q6.</b> The community in this region supports PC-NTDs surveillance activities undertaken by this facility. <i>(Jamii kwa ujumla katika mkoa huu inaunga mkono shughuli za ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa katika kituo hiki cha afya)</i>							

<b>Q7.</b> The existing IDSR system protects users' privacy and confidentiality. <i>(Mfumo wa IDSR inalinda faragha na siri za watumizi wote wa mfumo huu)</i>							
<b>Comments (Maoni):</b>							
<b>STABILITY (UIMARA WA MFUMO)</b>							
	<b>Strongly Disagree</b> <i>(Sikubali zaidi)</i>	<b>Disagree</b> <i>(Sikubali)</i>	<b>Neither Agree or Disagree</b> <i>(Sikubali wala Sikatai)</i>	<b>Agree</b> <i>(Na kubali)</i>	<b>Strongly Agree</b> <i>(Na kubali zaidi)</i>	<b>Not Applicable</b> <i>(Si husika)</i>	<b>Don't Know</b> <i>(Sijui)</i>
<b>Q1.</b> The existing IDSR system has always been reliable when reporting PC-NTDs surveillance data. <i>(Mfumo wa IDSR ni wa kuaminika wakati wote kwa kuripoti magonjwa ya kitropiki yaliyo telekezwa)</i>							
<b>Q2.</b> PC-NTDs surveillance reporting forms are always available when required. <i>(Fomu za kuripoti magonjwa ya kitropiki yaliyo telekezwa hupatikana kwa urahisi zinapo hitajika)</i>							
<b>Q3.</b> Problems experienced within the IDSR system regarding PC-NTDs surveillance are addressed with minimal delays. <i>(Changamoto zozote zinazo husu ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa kupitia kwa mfumo wa IDSR zinashughulikiwa kwa haraka)</i>							
<b>Q4.</b> PC-NTDs surveillance and response is well supported by those overseeing disease surveillance and response activities in this region/facility.							

<i>(Shughuli za ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa zinaungwa mkono na wasimamizi wa shughuli hizi katika mkoa huu na kituo hiki cha afya)</i>							
<b>Q5.</b> Resources provided for PC-NTDs surveillance and response activities in this region/facility are sufficient. <i>(Rasilimali zinazotolewa katika shughuli za ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa kwa mkoa huu ni za kutosha)</i>							
<b>Q6.</b> PC-NTDs surveillance data and records storage in this facility is safe and efficient. <i>(Kumbukumbu za habari za ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa zinalindwa vyema)</i>							
<b>Comments (Maoni):</b>							
<b>FLEXIBILITY (UBADILISHIKAJI WA MFUMO)</b>							
	<b>Strongly Disagree (Sikubali zaidi)</b>	<b>Disagree (Sikubali)</b>	<b>Neither Agree or Disagree (Sikubali wala Sikatai)</b>	<b>Agree (Na kubali)</b>	<b>Strongly Agree (Na kubali zaidi)</b>	<b>Not Applicable (Si husika)</b>	<b>Don't Know (Sijui)</b>
<b>Q1.</b> The existing surveillance reporting system is well adapted to reporting all the endemic PC-NTDs in this region. <i>(Mfumo wa ufuatiliaji wa magonjwa uliopo katika mkoa huu inachukulia vyema kuripoti kwa magonjwa ya kitropiki yaliyo telekezwa)</i>							
<b>Q2.</b> PC-NTDs surveillance and response is efficiently achieved within the IDSR system. <i>(Ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa inafanikishwa kwa ufanisi kupitia mfumo wa IDSR)</i>							

<p><b>Q3.</b> The existing IDSR system easily adapts to changes in PC-NTDs information needs (e.g. case definitions)  <i>(Mfumo wa IDSR inachukulia vyema mabadiliko ya mahitaji ya habari za magonjwa ya kitropiki yaliyo telekezwa kama vile kubaini kesi za magonjwa hizi)</i></p>							
<p><b>Q4.</b> PC-NTDs surveillance and response within the existing IDSR system easily adapts to changes in funding in the region  <i>(Ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa kupitia mfumo wa IDSR inachukulia kwa urahisi mabadiliko za fedha katika mkoa huu)</i></p>							
<p><b>Q5.</b> PC-NTDs surveillance and response within the existing IDSR system easily adapts to changes in technology (e.g. paper-based to electronic-based reporting)  <i>(Ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa kupitia mfumo wa IDSR inachukulia kwa urahisi mabadiliko ya kiteknologia)</i></p>							
<p><b>Q6.</b> The existing IDSR system easily adapts to new PC-NTDs surveillance data sources  <i>(Mfumo wa IDSR uliopo inachukulia kwa urahisi mianzo mapya ya habari za magonjwa ya kitropiki yaliyo telekezwa)</i></p>							
<p><b>Comments (Maoni):</b></p>							

<b>USEFULNESS (UMANUFAA WA MFUMO)</b>							
	<b>Strongly Disagree (Sikubali zaidi)</b>	<b>Disagree (Sikubali)</b>	<b>Neither Agree or Disagree (Sikubali wala Sikatai)</b>	<b>Agree (Na kubali)</b>	<b>Strongly Agree (Na kubali zaidi)</b>	<b>Not Applicable (Si husika)</b>	<b>Don't Know (Sijui)</b>
<b>Q1.</b> PC-NTDs surveillance and response within the IDSR system has enabled achievement of the surveillance objectives in the past one year in this region. <i>(Ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa iliwezesha mafanikio ya malengo yaliyowekwa kwa mwaka uliopita )</i>							
<b>Q2.</b> PC-NTDs surveillance data has informed program implementation for control of the diseases in the past one year in this region. <i>(Ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa umewezesha utekelezaji wa uratibu kwa madhumuni ya kudhibiti magonjwa haya)</i>							
<b>Q3.</b> PC-NTDs surveillance data generated within the IDSR system has stimulated research activities in this region. <i>(Ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa kupitia kwa mfumo wa IDSR imewezesha shughuli za utafiti katika mkoa huu)</i>							
<b>Q4.</b> PC-NTDs surveillance data generated within the IDSR system has attracted donor funding for disease control in this region. <i>(Ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa kupitia mfumo wa IDSR imevutia fedha kutoka kwa wafadhili katika mkoa huu)</i>							
<b>Q5.</b> PC-NTDs surveillance and response activities in this region are considered important within the IDSR system. <i>(Shughuli za ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa katika mkoa huu zinachukulika kuwa za muhimu kupitia mfumo wa IDSR)</i>							
<b>Q6.</b> The IDSR system provides sufficient information for prompt							

<p>public health action to PC-NTDs in this region.  <i>(Mfumo wa IDSR inatoa habari za kutosha kuwezesha hatua za afya ya umma kuchukuliwa kulenga magonjwa ya kitropiki yaliyo telekezwa katika mkoa huu)</i></p>							
<p><b>Q7.</b> PC-NTDs surveillance data generated within the IDSR system provides an estimate of morbidity magnitude in this region.  <i>(Habari za ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa kupitia mfumo wa IDSR zinaeleza ukubwa ya makisio ya magonjwa haya katika mkoa huu)</i></p>							
<p><b>Q8.</b> PC-NTDs surveillance data identifies risk factors associated with the cases reported.  <i>(Habari za ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa yanawezesha utambuzi wa hatari ya magonjwa haya)</i></p>							
<p><b>Q9.</b> PC-NTDs surveillance data generated within the IDSR system detects trends in changes of case occurrence in this region.  <i>(Habari za ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa kupitia mfumo wa IDSR inawezesha utambuzi wa mienendo ya mabadiliko ya tukio ya magonjwa haya katika mkoa huu)</i></p>							
<p><b>Q10.</b> PC-NTDs surveillance data enables prevention and control programmes impact assessment in this region.  <i>(Habari za ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa zinawezesha tathmini za athari ya miradi ya kuzuia na kudhibiti magonjwa haya)</i></p>							
<p><b>Q11.</b> PC-NTDs surveillance data generated within the IDSR system has an impact on the clinical diagnosis practices.</p>							

<i>(Habari za ufuatiliaji wa magonjwa ya kitropiki yaliyo telekezwa kupitia mfumo wa IDSR zinaathiri shughuli za utambuzi wa kikliniki kuhusu magonjwa hayo)</i>							
<b>Comments (Maoni):</b>							
<b>DATA QUALITY (UBORA WA HABARI)</b>							
	<b>Strongly Disagree (Sikubali zaidi)</b>	<b>Disagree (Sikubali)</b>	<b>Neither Agree or Disagree (Sikubali wala Sikatai)</b>	<b>Agree (Na kubali)</b>	<b>Strongly Agree (Na kubali zaidi)</b>	<b>Not Applicable (Si husika)</b>	<b>Don't Know (Sijui)</b>
<b>Q1.</b> Missing data is a common occurrence in PC-NTDs surveillance reporting forms in this region. <i>(Ukosefu wa habari ni tukio la kawaida kwa fomu zinazotumika kuripoti magonjwa ya kitropiki yaliyo telekezwa katika mkoa huu)</i>							
<b>Q2.</b> Surveillance electronic/hardcopy forms for reporting PC-NTDs are clear and elaborate. <i>(Fomu za kuripoti magonjwa ya kitropiki yaliyo telekezwa ni wazi na zenye ufafanuzi tosha)</i>							
<b>Q3.</b> Training offered regarding completion of PC-NTDs surveillance reporting forms is adequate. <i>(Mafunzo yanayo tolewa kuhusu ukamilishaji wa fomu hizi za kuripoti magonjwa ya kitropiki yaliyo telekezwa ni ya kutosha)</i>							
<b>Q4.</b> Supervision offered during PC-NTDs surveillance reporting forms completion is adequate <i>(Usimamizi unaotolewa wakati wa ukamilishaji wa fomu hizi za kuripoti magonjwa ya kitropiki yaliyo telekezwa ni wa kutosha)</i>							

<p><b>Q5.</b> Time allocated for PC-NTDs surveillance data management is adequate  <i>(Muda unaotolewa kukamilisha shughuli za uchanganuzi na usimamizi wa habari za magonjwa ya kitropiki yaliyo telekezwa ni wa kutosha)</i></p>							
<p><b>Comments (Maoni):</b></p>
