

Supplementary File 1

To determine the knowledge and practice of foot care among patients with DM

Data extraction form

Author and date

Your answer

Title of study

Your answer

State the aim of this study?

Your answer

Specify the ages reported in the study?

Your answer

Which gender is reported in the study?

Your answer

What is the study setting reported in this study?

Your answer

What geographical setting is reported in this study?

Your answer

What study design is used in this study?

Your answer

Which type of Diabetes mellitus is reported in the study?

Your answer

What exposure is being stated in this study?

Your answer

What evidence is stated on foot care knowledge regarding people living with diabetes being prone to foot sores?

Your answer

What evidence is stated on patient's knowledge regarding glycemic control?

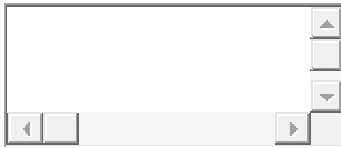

Your answer

What evidence is stated on patient's knowledge regarding dietary control?

Your answer

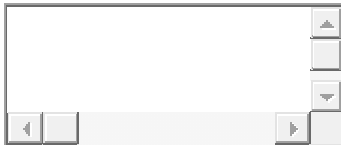

What evidence is stated on patient's knowledge regarding physical activity?

Your answer

An empty text input box with a light gray border. It features a vertical scrollbar on the right side and a horizontal scrollbar at the bottom. The box is currently empty.

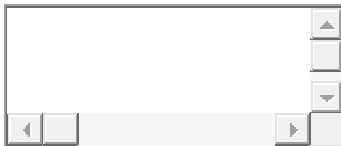

What evidence is stated on foot care knowledge regarding specific feet exercises?

Your answer

An empty text input box with a light gray border. It features a vertical scrollbar on the right side and a horizontal scrollbar at the bottom. The box is currently empty.

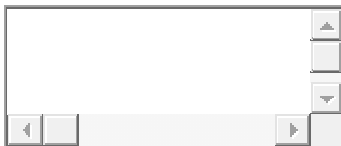

What evidence is stated regarding foot care knowledge regarding washing of feet?

Your answer

An empty text input box with a light gray border. It features a vertical scrollbar on the right side and a horizontal scrollbar at the bottom. The box is currently empty.

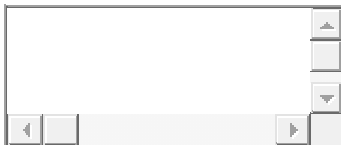

What evidence is stated on foot care knowledge regarding top and bottom foot moisturization?

Your answer

An empty text input box with a light gray border. It features a vertical scrollbar on the right side and a horizontal scrollbar at the bottom. The box is currently empty.

What evidence is stated on foot care knowledge regarding checking the insides of shoes before wearing them?

Your answer

An empty text input box with a light gray border. It features a vertical scrollbar on the right side and a horizontal scrollbar at the bottom. The box is currently empty.

What evidence is stated on foot care knowledge regarding drying between the toes?

Your answer

What evidence is stated on foot care knowledge regarding checking feet daily for cuts, redness, bruises, cracks, blisters?

Your answer

What evidence is stated on foot care knowledge regarding walking barefoot?

Your answer

What evidence is stated on foot care knowledge regarding exposure to extreme hot/cold temperatures?

Your answer

What evidence is stated on foot care knowledge regarding wearing special footwear?

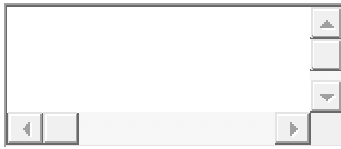

Your answer

What evidence is stated on foot care knowledge regarding trimming nails straight across?

Your answer

What evidence is stated on foot care practice regarding daily washing of feet?

Your answer

What evidence is stated on foot care practice regarding daily checking of feet for cuts bruises etc.?

Your answer

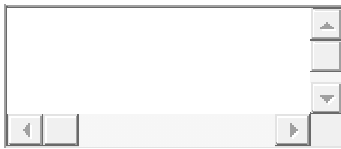

What evidence is stated on foot care practice regarding drying between the toes?

Your answer

What evidence is stated on foot care practice regarding moisturizing top and bottom of feet daily?

Your answer

What evidence is stated on foot care practice regarding checking the insides of shoes before wearing them?

Your answer

What evidence is stated on foot care practice regarding walking barefoot?

Your answer

What evidence is stated on foot care practice regarding wearing specialized footwear?

Your answer

What evidence is stated on foot care practice regarding exposure to extreme hot/cold temperatures?

Your answer

What evidence is stated on foot care practice regarding specific exercises for feet?

Your answer

What evidence is stated on foot care practice regarding cutting nails straight across?

Your answer

What score is stated on knowledge of footcare?

Your answer

What score is stated on foot care practice?

Your answer

What is the key finding in this study? (in keeping with the aim of this study)

Your answer

What significant findings are documented in this study?

Your answer

What is the concluding statement in this study?

Your answer
