

## Supporting Information

**Table S1** Detailed frequencies of sulcal imprints observed on left and right hemispheres. Adapted from de Jager et al. (2019)

<b>Sulcus</b>	<b>Left</b>	<b>Right</b>
anterior horizontal ramus	40%	20%
ascending ramus	40%	20%
central sulcus	55%	50%
fronto-marginal sulcus	85%	100%
fronto-orbital sulcus	75%	60%
inferior frontal sulcus	85%	90%
inferior temporal sulcus	100%	95%
middle frontal sulcus	90%	75%
intraparietal sulcus	30%	15%
lateral calcarine sulcus	55%	20%
inferior occipital sulcus	50%	60%
lunate sulcus	80%	70%
postcentral sulcus	20%	15%
precentral sulcus	35%	40%
retro-calcarine sulcus	20%	10%
superior frontal sulcus	95%	90%
superior temporal sulcus	75%	90%
sylvian fissure	95%	85%
transverse occipital sulcus	70%	55%
