REPLY TO
PUBLIC RELATIONS OFFICER.

22nd June, 19 37.

Dear Madam,

In reply to your letter of the 19th instant, if you will kindly fill in the date on your invitation card to read Saturday, the 26th June, this will be sufficient to enable you to join the river and docks cruise on that day.

...

I enclose particulars of these excursions and you will observe that these are only run on week-days and not on Sundays.

I shall be glad if you will make yourself known to my representative on Tower Pier before embarkation.

Yours faithfully,

Public Relations Officer.
