Situational analysis on the state of play of agricultural greenhouse gas coordination and research in southern Africa

We are undertaking a project for the New Zealand Agricultural Greenhouse Gas Research Centre, specifically investigating the state of play of agricultural greenhouse gas coordination and research in southern Africa. We would like to ask you some questions about your research as you are an expert in the field of agricultural greenhouse gas emission and climate change.

Your participation in this survey is voluntary and you can withdraw at any time. The survey should take less than 10 minutes to complete. There are no questions that pose any risk to you. Should you have any questions regarding the research please feel free to contact the Project Leader (Dr Linde du Toit – linde.dutoit@up.ac.za) or Dr. P. Pophiwa (pamela.pophiwa@up.ac.za)
