

I send my cordial wishes for
the full success of the "Temple
Magazine". "Glick auf!" good
luck on your upward way - as
the German miners say - or
used to say, at all events, in
days when I was somewhat
younger. The Magazine is
doing excellent work and
I know how to work better
and better. I shall rejoice in
its continued success.

Justin M. Carthy.

BY THE PRESIDENT OF THE METHODIST
CONFERENCE.

Message for 1898.

May your path
brighten with every
step. Wm. L. Watkinson
