Publication of these Proceedings was made possible by funds generated from the 1st International Conference of Animal Health Information Specialists, Reading, UK. July 16 – 19, 1992.
Printing done at University of Illinois, USA.
Printing design and layout: Antoinette Lourens

Previous ICAHIS conferences

1 ICAHIS:
Reading University, Reading, UK.
Date: 16 - 19 July 1992
Theme: Animal Health Information: planning for the 21st Century

2 ICAHIS:
Royal Danish Veterinary and Agricultural University, Copenhagen, Denmark.
Date: 1 - 4 July 1997
Theme: Animal Health Information Management

3 ICAHIS:
held jointly with 8ICML (8th International Congress on Medical Librarianship), Queen Elizabeth II Conference Centre, London, UK.
Date: 2 - 5 July 2000
Theme: Converge on London

4 ICAHIS:
Szent Istvan University (Veterinary University of Hungary), Budapest, Hungary
Date: 6 - 9 August 2003
Theme: From paper to electronic: Animal Health Information in Transition

Welcome messages
Prof R A Mogotlane, Vice Principal, University of Pretoria ................................................................. 15
Mr R Moropa, Acting Director, Academic Information Service, University of Pretoria ................. 16
Prof N P J Kriek, Dean of the Faculty of Veterinary Science, University of Pretoria ..................... 17

Keynote speakers
Dr Adi Paterson - Towards E-Research in South Africa ....................................................................... 19
Mr Roy Page-Shipp - South African Research Information Service project ..................................... 20
Prof B Rubidge - Catalogue to our past and clues for the future - What the fossil record tells us ......... 21
Dr Glenda Myers - Evidence-Based Medicine (EBM); Evidence-Based-Librarianship (EBL); and All That Jazz 22

Contributed papers
Session 1: Library Products and Services

• 1. Patching the publicity disconnect: Promoting information resources and services to Ohio veterinary professionals
MURPHY, S.A. (Veterinary Medicine Library, Ohio State University, USA) .......................................... 24

• 2. Providing current awareness and information support services during a national crisis: the role of the Pirbright Library during the outbreak of foot-and-mouth disease in the UK 2001
SHRIGLEY, S. (Library, Institute for Animal Health Laboratory, Pirbright, UK) ........................................ 29

• 3. Client relationship marketing in the provision of animal health information: implications for Librarians.
HADEBE, Z C. (Library, Faculty of Veterinary Science, University of Zimbabwe, Zimbabwe) .............. 33

• 4. Programme for agricultural information service (PRAIS) in the SADC countries
VERSTER, E. (Library and Information Services, University of the Free State, SA) ............................ 37

• 5. Effectiveness of Sokoine National Agricultural Library in disseminating veterinary information
SIFE, A.S. and CHILIMO, W. (Sokoine National Agricultural Library, Tanzania) ............................. 42

Sessions 2 & 3: E-Resources

• 6. African web-based animal health information
LWOGA, E. T. and SIFE, A.S. (Sokoine University of Agriculture, Tanzania) ........................................ 51

• 7. Assessment of the utilisation of Makerere University electronic information resources by academic staff; challenges and prospects
AGABA, D.M. (Veterinary Medicine Library, Makerere University, Uganda) ........................................ 57

• 8. Enhancing the use of electronic resources on a university library’s website; herding electronic resources into subject groupings
CARRIGAN, E., SEWELL, R., WILSON, M.D. and HIGHSMITH, A. (Medical Sciences Library, Texas A&M University, USA) ................................................................. 63

• 9. Seamless library services using the Open URL syntax
KING, P. (Kresge Library, The Scripps Research Institute, California, USA) .................................................. 67

- 10. Towards a development and use of internet web and information communication technologies for veterinary medicine education in Nigeria
BABALOBI, T. (Faculty of Veterinary Medicine, University of Ibadan, Nigeria) .......................................................... 73

Session 4: Knowledge Management

SWANEPOEL, D. and SNIJDER, A. (Onderstepoort Veterinary Institute Library, SA) .................. 82

- 12. From libraries to knowledge centres: transforming library services for the knowledge age.
LAWRENCE, R. (Knowledge Resource Centre, Department of Primary Industries, Victoria, Australia) ........ 90

- 13. Communities of practice in an academic library: a run on the wild side?
VAN WYK, J (Academic Information Service, University of Pretoria, SA) ........................................................... 97

Session 5: The Web

- 14. Digital collections; introduction and development of a model for the collection and dissemination of scientific and technologic information in veterinary medicine and other fields.
ZIMBA, H.F. and HARUN, M. (Faculty of Veterinary Medicine, University of Eduardo Mondlane, Maputo, Mozambique) .................................................. 104

- 15. Herding tacit knowledge; the opportunity for real teamwork to digitise information resources in support of learning, teaching and research at the University of Pretoria.

- 16. Portal business; the conception, production and marketing.
COATES, L. (Zoological Society of San Diego Library, San Diego, California, USA) .................. 116

- 17. Web portals for animal health; capturing and harnessing information and knowledge for the e-environment.

Sessions 6 & 7: Role of the Information Specialist

- 18. Benchmarking; pathway to knowledge sharing
BURFORD, N. (Medical Sciences Library, Texas A&M University, USA) ........................................... 126

- 19. Library management issues, then and now.
KOK, V. T., KRIZ, H. and FANG, C.S. (Virginia Polytechnic Institute and State University, Virginia, USA) ..... 128

- 20. Enhancing access to animal health information; the role of Information Specialists.
SIMUI, M. (Veterinary Library, University of Zambia, Lusaka, Zambia) ............................................................. 131

VAN DER WESTHUIZEN, E. and RANDALL, E. (Academic Information Service, University of Pretoria, SA) 136

- 22. Developing information skills training to meet the changing needs of veterinary education.
BROWN, F. and DOZIER, M. (Veterinary Library, University of Edinburgh, UK) ........................................... 141

Poster session

- 1. The Hernquist Library – changing bookshelves, changing roles.
Beata Akersten. (Hernquist Library, Swedish University of Agricultural Sciences, Sweden.) ...................... 148

- 2. A knowledge platform in veterinary public health: the experience of IZSA&M
B. Alessandrini, P. Colangelo, D. Orientale, S. Del Papa. (Istituto Zooprofilitattico Sperimentale dell’Abruzzo e del Molise “Giuseppe Caporale”, 64100 Teramo, Italy) ................................................................. 148

- 3. Development of an expert information system for the management of animal diseases epidemics
P. Colangelo, R. Lelli. (Istituto Zooprofilitattico Sperimentale dell’Abruzzo e del Molise “Giuseppe Caporale”, 64100 Teramo, Italy.) ................................................................. 149
• 4. How information beats iron or knowledge management enables Strasser hoofcare
Martha de Jager. (Knowledge Management, Deloitte & Touche, Pretoria, SA) .............................. 149

• 5. Istituto Zooprofilattico Sperimentale dell'Abruzzo e del Molise “Giuseppe Caporale” and International Cooperation
S. Del Papa, B. Alessandrini, O. Pediconi. (OIE Collaborating Centre for Veterinary Training, Epidemiology, Food Safety and Animal Welfare, Istituto Zooprofilattico Sperimentale dell’Abruzzo e del Molise “Giuseppe Caporale”. 64100 Teramo, Italy.) ................................................................. 150

• 6. Mentoring in a veterinary library
Raisa Iivonen. (Vilikki Science Library, University of Helsinki, Finland) ........................................ 150

• 7. The Health Sciences library as partner in case-based learning exercises: the diagnostic challenges at Washington State University
Sarah K. McCord and Vicki F. Croft. (Washington State University, Health Sciences Library, Pullman, WA, USA) .................................................................................................................................. 151

• 8. Open access issues and how these are being addressed at the University of Glasgow
Maureen McGovern. (James Herriot Library, University of Glasgow, Scotland, UK) ....................... 151

• 9. Totally E: Meeting the challenge of going electronic only for document delivery and interlibrary loan
Becky McKay, Chris Foster, Martha Bedard. (Medical Sciences Library, Texas A&M University, USA) ................................................................................................................................. 152

• 10. Harnessing information resources: collection management at the Veterinary Science Library, University of Pretoria
Marguerite Nel. (Academic Information Service, University of Pretoria, SA) ..................................... 152

• 11. Promoting Information Literacy as a cooperative project between five Nordic countries
Teodora Oker-Blom*, Anne Cathrine Munthe, Heli Myllys.* (*Vilikki Science Library, University of Helsinki, Finland; Library, Norwegian School of Veterinary Science, Norway.) .............................................................................. 153

• 12. Bluetongue entomological surveillance in East European and Balkan countries: collection and display of geographical data.
L. Savini, Carla Ippoliti, Sandro Pelini, Annamaria Conte, Paolo Calistri. (Istituto Zooprofilattico Sperimentale dell’Abruzzo e del Molise “Giuseppe Caporale”, 64100 Teramo, Italy.) ......................................................................................... 153

• 13. The international scientific visibility: the case of the research in veterinary medicine in Mozambique (A visibilidade científica internacional: o caso da pesquisa na área de medicina veterinária em Moçambique)
Horácio Francisco Zimba & Suzana Pinheiro Machado Mueller. (Veterinary Library, Universidade Eduardo Mondlane, Moçambique; Universidade de Brasília, Brazil) ................................................................. 154

List of delegates ............................................................................................................................... 155
